General Information
Our Mission Statement
The University of St Thomas School of Theology is dedicated to providing outstanding theological education in the Roman Catholic tradition. We are committed to preparing qualified ministerial leaders to serve a culturally diverse community of faith and a changing world.

History of the School of Theology at St. Mary’s Seminary
The School of Theology and the Center for Pastoral Studies are located on the campus of St. Mary’s Seminary, 9845 Memorial Drive, Houston, Texas. St. Mary’s Seminary was established in 1901 by Bishop Nicholas Gallagher in La Porte, Texas and moved to its current location in 1954. The School of Theology was established in 1968 when the theology department of St. Mary’s Seminary became part of the University of St. Thomas.

Set within the residential Memorial area of suburban Houston, the Seminary spans approximately fifty acres replete with natural beauty. Candidates for the diocesan priesthood reside at St. Mary’s Seminary as they progress through an extensive program of priestly formation. Lay students pursuing theological degrees, including those leading to ordination to the permanent diaconate and for service as lay ecclesial ministers, commute to the campus for their studies. The Bishop Nold Educational Center, completed in 2001, houses the academic classrooms, a lounge, a multi-media auditorium, and administrative offices.

St. Mary’s Seminary
http://www.smseminary.com/

St. Mary’s Seminary is a theologate that exists for the personal, spiritual, academic and pastoral formation of men preparing for ordination to the Roman Catholic priesthood. St. Mary’s enables ordination candidates to grow in holiness and develop into pastoral leaders who will serve the Church as priests after satisfactorily demonstrating their competence and willingness for effective ministry.

The Seminary promotes the full, integral personal growth of each student and emphasizes the development of skills in collaborative ministry. Students who are candidates for the diocesan priesthood reside at St. Mary’s Seminary and are involved in an extensive program of priestly formation. This spiritual formation program is coordinated with the academic and pastoral education provided by the School of Theology and is based on the Program of Priestly Formation of the U.S. Conference of Catholic Bishops. The specific purpose of the seminary formation program is to foster the human and spiritual maturity of the candidates as they grow in their relationship with the person of Jesus Christ and in their desire to serve the People of God in their local diocese.
Center for Pastoral Studies
The Center for Pastoral Studies is designed to academically and pastorally prepare a student for a leadership role in the Catholic Church. It offers a Master of Arts in Pastoral Studies Program (MAPS), which is designed to help develop the academic and pastoral skills necessary for professional service in church ministries.

Diaconate Program

http://www.stthom.edu/Academics/School_of_Theology_at_St_Marys_Seminary/Diaconate_Program.aqf

The UST School of Theology at St. Mary’s Seminary is committed to providing the solid academic formation necessary for excellence in ministry. Part of this commitment is lived out in diaconal formation for the state of Texas. The USTST diaconal program is in full conformity with the United States Conference of Catholic Bishops.

The academic portion of the Diaconate Program is under the umbrella of the School of Theology’s Center for Pastoral Studies.

History of the University of St. Thomas
At the request of the Bishop Christopher E. Byrne of the then Diocese of Galveston, the Basilian Fathers founded the University of St. Thomas in 1947 as an independent, co-educational Catholic institution of higher learning. Established to provide an undergraduate liberal arts education, the University now offers graduate programs in selected fields which serve more fully the Church and community at large.

As a Catholic institution of higher learning, the University of St. Thomas is inspired
by the teaching of Pope John Paul II’s apostolic constitution *Ex Corde Ecclesiae*, and abides by the application norms prescribed by the American Bishops. Because of the University’s institutional commitment to the Church, “Catholic ideals, attitudes and principles penetrate and inform its activities in accordance with the proper nature and autonomy of these activities” (*Ex Corde Ecclesiae*, 14). In its teachings and research, the University of St. Thomas is dedicated to the cause of truth and fosters the integration of knowledge, the dialogue between faith and culture, the ethical and moral implications of learning and the unique orientation to all study given by theology.

**Mission Statement of the University of St. Thomas**

We are the University of St. Thomas, the Catholic university in the heart of Houston. We are committed to the Catholic intellectual tradition and the dialogue between faith and reason. By pursuing excellence in teaching, scholarship, and service, we embody and instill in our students the core values of our founders, the Basilian Fathers: goodness, discipline, and knowledge. We foster engagement in a diverse, collaborative community. As a comprehensive university grounded in the liberal arts, we educate students to think critically, communicate effectively, succeed professionally, and lead ethically.

**Libraries**

The Cardinal Beran Library at St. Mary’s Seminary

Located on the campus of St. Mary’s Seminary, and owned by the Archdiocese of Galveston-Houston, the Cardinal Beran Library is the principal theological resource for the School of Theology. The Cardinal Beran Library building was blessed by His Eminence Joseph Cardinal Beran, Archbishop of Prague, April 17, 1966.

The cornerstone reads:

> The lips of the priest are to keep knowledge, and instruction
> is to be sought from his mouth, because he is the messenger
> of the Lord of hosts.

*Malachi 2:7*

The collection includes 60,000 books, 11,500 bound volumes, and 379 current journal subscriptions, 1,350 pamphlets, 3,200 microforms, and 2,230 media tapes. The collection is devoted primarily to materials in theology and closely related subjects. An ongoing project is the acquisition of theological titles in Spanish to meet the needs of the growing Hispanic population in this archdiocese. Special collections include primary resources of the late eighteenth and early nineteenth century Catholic writers, which are useful for historical research. The library was a beneficiary of the books from collections of Bishop Nold and also the UST Newman scholar, Fr. Richard Schiefen, CSB. Additionally, there is a developing collection of
primary resources on Vatican II.

The library uses an automated library system. Library collections include books and audio-visual holdings, as well as an extensive pamphlet and papal documents collection. The library website (http://beran.stthom.edu) provides access to the library holdings and databases.

Baccalaureate in Sacred Theology

The University of St. Thomas School of Theology at St. Mary’s Seminary, Houston, Texas, USA, is affiliated with the Ecclesiastical Theological Faculty of St. Mary’s Seminary & University, Baltimore, Maryland, USA for the purpose of granting the Baccalaureate in Sacred Theology degree. The STB is a first-level ecclesiastical degree intended to offer seminary students an integrated, solid, and complete program of Roman Catholic theology. As such, its aims are more academically directed than the civil Master of Divinity (MDiv), by definition a graduate professional degree. Candidates for this degree must be admitted to the ordination track Master of Divinity program.

Pre-Theology Program

The UST School of Theology at St. Mary’s Seminary offers a pre-theology program designed for non-traditional seminary students. This program follows the USCCB’s Program of Priestly Formation (PPF), which states that the “pre-theologate should provide a coordinated program that supplements the needs of candidates in five principal areas: human and spiritual growth, intellectual and pastoral formation, and community living” (210). Since candidates in this program will complete the ordination Master of Divinity program, they must be sponsored by a bishop.

Master of Arts

The Master of Arts, with a concentration in theological studies, is an academic degree program designed to cultivate the skills necessary for academic theological
study and scholarly research. This program seeks to develop the academic skills necessary to prepare the student for doctoral research and academic communication of theological concepts.

General Academic Policies

Semester grade reports

All students who take a course for credit will be assigned a grade at the end of the semester. Semester grades and cumulative statistics are available at the end of each semester on http://mystthom.edu. Faculty members are not authorized to post final grades or release them to students by any other means. Students should review their grades carefully. No course grades may be changed after one year following completion of the course.

Academic reports of diocesan seminarians are mailed to the bishop and vocation director of each seminarian. The Rector of St. Mary’s Seminary also receives a copy of the academic report of each student. Religious order seminarians will have their grade reports mailed to their religious Superior. Grade reports for candidates for the permanent diaconate will be sent to the Director of the Permanent Diaconate. In compliance with the Family Educational Rights and Privacy Act of 1974 as amended, each seminarian/deacon candidate is required to sign a release of information form. Signing such form indicates consent for these records to be released to the above named individuals.

Probation and suspension

Students who fail to maintain the institutional minimum GPA requirement will be placed on academic probation. A student on academic probation for two (2) consecutive semesters will incur academic suspension. The student will be eligible for readmission after one semester of non-attendance.

Graduation will be denied a student that is on program probation even if other program requirements have been met. Non-degree students may not remain on academic probation for more than two consecutive semesters.

Academic records

The Registrar of the University is responsible for maintaining official student educational records. A student who questions an enrollment record (including a grade) as recorded in the Office of the Registrar has a period of one year, beginning with the end of the term in which the record was recorded, to challenge its accuracy. At the end of one year the permanent record will become the absolute record, and changes may not be made.

Privacy Act Regulations

Under the Family Educational Rights and Privacy Act of 1974, the University is free to release information about students categorized as “directory-type information.” Students have the right to restrict the disclosure of this information by completing and submitting a Request to Prevent Disclosure of Directory Information form to the Registrar’s Office. This form must be filed annually prior to the add/cancel date for the current term. Copies of the policies and procedures governed by this Act are also available for review in the Registrar’s Office or online at http://www.stthom.edu/registrar/ferpa.html.
The Solomon Amendment and FERPA

With reference to a change in the law: Institutions are required to provide directory information on students who are at least 17 years of age, upon request from representatives of the Department of Defense for military recruiting purposes. That information includes student name, addresses, telephone listings, date and place of birth, level of education, degrees received, prior military experience and the most recent school attended.

Students access to records

Students wishing to review their educational records must make written request to the Registrar, listing the items they wish to review. Only records covered by the Family Educational Rights and Privacy Act of 1974 will be made available. The Registrar will respond within 45 working days of receiving the written request.

Transcripts

Requests for official transcripts must be made in writing to the Registrar’s Office. By law, an official transcript may not be released without the student’s written request. The processing of a transcript request normally takes two working days. A processing fee for each transcript must be paid at the time of the request. No transcript will be released if a University hold exists on the student’s record. For a transcript to be considered official, it must bear the official seal of the University and the signature of the Registrar, and the envelope seal must not be broken. Only official transcripts are sent outside the University.

Graduation

All degree requirements must be completed prior to the granting of a degree. Students who expect to complete degree requirements at the end of a semester must file an application for graduation by the dates specified in the academic calendar.

Academic Dishonesty Policy

Academic dishonesty includes, but is not limited to:
- Cheating on an exam or test, for example by copying from another’s paper or by using un-authorized materials before or during the test;
- Plagiarism, which represents as one’s own the work of another, whether published or not, without acknowledging the precise source;
- Knowing participation in the academic dishonesty of another student even though one’s own work is not directly affected;
- Any conduct which reasonable persons in similar circumstances would recognize as dishonest in an academic setting.
**Process**

The instructor is responsible for informing the student of the charge in writing. If necessary, the student’s copy will be mailed to the student by the instructor. A copy of the charge is to be submitted to the Registrar and Dean of the School of Theology within three days after informing the student. The Dean is responsible for submitting both the charge and penalty to the student file that is maintained in the Office of Admissions and Registration. It will be the responsibility of the Dean to be aware of multiple offenses by the same student. In the case of candidates to the priesthood, letters stating the charge and penalty will be sent to the student’s formation director, vocation director and the Rector of St. Mary’s Seminary (or in the case of religious seminarians to their superior). In the case of candidates to the permanent diaconate, a letter stating the charge and penalty will be sent to the Director of the Permanent Diaconate.

**Penalty**

The penalty for an incident of academic dishonesty is, at the discretion of the instructor, either a mark of zero for the work in question or the grade of ‘F’ for the course. A student guilty of two incidents of academic dishonesty will be dismissed from the University.

**Appeal**

The student charged with academic dishonesty has the right to appeal the charge by submitting a written request to the Grievance Committee of the School of Theology along with all relevant evidence, testimony and representation. (See Structures and Procedures of the University of St. Thomas School of Theology at St. Mary’s Seminary for details of appeal process.) The judgment of the majority of the committee in each case will be final and its decision made known in writing to the student, instructor, and Dean.

Prerequisite: Sacred Scripture.

CG 5324 (3 hours)
This course presents the origins of the Church in the mission of the Messiah, and the development of Christian understanding of the mystery of the Church. Special attention is given to the ecclesiology of Vatican II: the mystery of the Church with its hierarchical and charismatic gifts, the communion of saints, the Catholic Church’s commitment to ecumenism and religious liberty, and the mission of the Church today. Some consideration will also be given to Catholic social teaching as an articulation of the Church’s mission. Prerequisite: Sacred Scripture, Church History.

Faith and the Dominant American Culture
