Additional Materials: You may want to have a calculator in order to do some calculations on the homework or in class occasionally. However, a calculator is not required and you are NOT allowed to use a calculator on quizzes or exams.

Grading
Your grade will be based on homework, quizzes, and exams. The breakdown of how your grade will be calculated is as follows.

- Homework: 10%
- Quizzes: 30%
- Midterm Exam #1: 20%
- Midterm Exam #2: 20%
- Final Exam: 20%

The following scale will be used to determine final letter grades:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Percentage</th>
</tr>
</thead>
<tbody>
<tr>
<td>A</td>
<td>93 – 100</td>
</tr>
<tr>
<td>A-</td>
<td>90 – 93</td>

Homework
Typically, I will assign several homework problems each week that will be due on Thursdays. These assignments will be graded based on completion. It is fine to work with others on the homework assignments, but you absolutely need to know how to work the problems on your own. In addition, everything you submit must be your own written work. Copying another person’s work is NOT acceptable. I will accept homework up to one class period after the due date with a 20% penalty.

Quizzes
Typically, each week there will be a short quiz (approximately 15 minutes) that will be done at the end of class on Thursdays. These quizzes will cover the same material that was covered in the homework due that same day. Unless prior arrangements are made, no make-up quizzes will be given.

Exams
There will be two midterm exams and one final exam. The two midterms will be done during regular classes, and the Final Exam will be done during the scheduled university time. If your Final Exam score is better than your lowest midterm exam score, I will replace the lowest midterm exam score with your Final Exam score:
The exams are scheduled for the following dates:

- Midterm Exam #1: Thursday, September 24th
- Midterm Exam #2: Thursday, November 12th
- Final Exam: Thursday, December 10th from 8 – 10:30 AM

Unless prior arrangements are made, there will be no make-up exams.
