10. Course Policies

Attendance/Lateness:

It is the student's responsibility to be on time for class as I will check attendance at the start of each class through the use of a sign in sheet. A student who is late will not be allowed to sign the attendance sheet. A student who does not stay the entire class period will not receive credit for attending class that day. NO EXCEPTIONS!

Class Participation:

Along with attendance, the student is expected to participate in class discussions. In the case of borderline grades, a subjective evaluation may be made taking into account class attendance, class participation, completion of assignments and general attitude. This evaluation, if favorable, may be used to possibly raise your grade. It will not be used to lower your grade.

Make-Up Exams:

A student who is unable to attend a major test or exam due to illness or other emergency is required to contact his/her instructor within 24 hours of the exam time. Contact with the instructor means a direct verbal communication with the instructor, either in person or by phone. Each instructor will provide his/her office or home phone numbers to all students. It is the student's responsibility to keep these phone numbers available for use.

A student who misses a major examination and does not contact his/her instructor within 24 hours will receive a score of zero (0) on the exam.

Missed Assignments:

Assignments are due at the start of the class period on the day they are scheduled to be turned in. A late assignment will result in a one letter grade reduction for each day late.

Extra Credit Opportunities:

Up to 12 points may be added to a student’s total points in the course (500 total points in this course) if he/she attends up to three (a) Accounting Society speaker meetings (or other professional accounting association) and/or (b) one-page summaries of accounting articles in current professional journals. See Accounting Department – Bonus Assignment handout for further details.

Cell Phones, Electronic Media:

During lectures, please turn off cell phones. If you will be using a laptop for note taking, please refrain from other activities on the laptop.

During exam, please turn off cell phones. There is no electronic media allowed during examinations.

**MISSION STATEMENT**
Inspired by the Basilian Fathers’ motto of Goodness, Discipline and Knowledge, the Cameron School of Business provides a comprehensive, high quality, ethically oriented business education to a diverse student body enabling graduates to serve as leaders of faith and character in a global economy.

**ACADEMIC HONESTY**
Ethical conduct is essential to a community of scholars and students searching for truth. Anything less than total commitment to honesty and honorable conduct undermines the efforts of the entire community. Academic integrity lies at the very heart of any institution of higher learning. In the Cameron School of Business, students and faculty are expected to commit to a code that exemplifies each individual’s honor and integrity. Any conduct that violates this standard and betrays the respect of others is a matter of grave concern and, accordingly, is deemed unacceptable. The tests/exams will be individual efforts. Student may work together on homework assignments, but must submit their own assignments.
The penalty for an incident of academic dishonesty is, at the discretion of the professor, either a mark of zero for the work in question or the grade of F for the course.

**ACCOMMODATIONS**
The University of St. Thomas abides by the Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973, which stipulates that no student shall be denied the benefits of an education “solely by reason of a handicap.” If you have a documented disability that may impact your performance in this class and for which you may require accommodations, you must be registered with and provide documentation of your disability to Counseling and Disability Services which is located on the second floor of Crooker Center.
