Course Description

This course continues the study of the history of the Church, its relationship with the state, the development of its doctrinal and ethical positions, its relationship to surrounding cultures, its geographical expansion and consolidation during the early, high and later Middle Ages.

Course Objectives

To continue student exposure to Patristic texts.

To provide the student with a working knowledge of church history in the Medieval Era.

To gain an appreciation of some of the major interpretive approaches to these periods.

Course Texts

Additional readings which may be found on library reserve assigned from
*Christology of the Later Fathers*, ed. Edward Hardy
St. Theodore the Studite, *On the Holy Icons*
St. Symeon the New Theologian
